Docket No. 98N-1265

Food and Drug Administration APR -9 10:31

5600 Fishers Lane

Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: The importance of specialized prescriptions  
cannot be overstated. It has allowed  
usment to handle effect symptoms  
not met by normal pre-measured means.
